N. E. FAT MEN'S CLUB.

Important Business to Come Before Annual Meeting Friday Evening.

The annual meeting and game banquet of the New England Fat Men's Club will be held at Hale's Tavern, Wells River, Friday, Dec. 16. An orchestra will furnish music, assisted by "Father" Wilkie and his "fiddle."

A reception and business meeting will be held at 7 o'clock p. m., at the village hall and the banquet served at 8.30 o'clock. The executive committee have arranged for a first-class time. Many important matters will be discussed, and questions of interest looking toward the development and success of the Club will be considered.

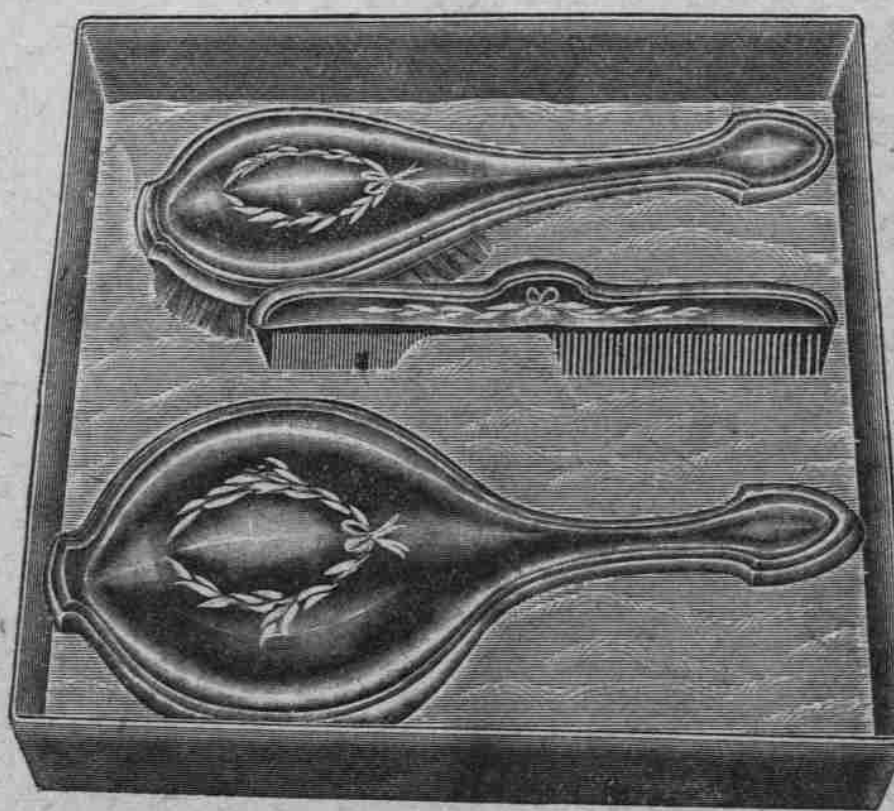

It is the desire of many in Maine, Massachusetts, Rhode Island, Connecticut and southern New Hampshire that a special train of parlor cars be used from Boston.

It has been suggested that the by laws should be amended by making the number of vice presidents from Massachusetts ten, at least, and the other New England states on a similar ratio per capita; also to appoint a vice president in every foreign country, and in every state where the Club has members, outside of New England.

It is thought that provision should also be made which would enable the Club to drop members from the roll, should their conduct prove them unworthy of membership in the Club.

Another important matter will come up for discussion; the raising of the admission fee for membership from one dollar, at present, to three dollars.

The membership of the Club is over 3000, and has nearly doubled since the last annual meeting. Thirty dollars cash will be awarded at this time; \$15 to be given to the one sending in the largest number of names during the year; \$10 second prize, and \$5 third prize.

Instead of "GIMCRACKS," why not something of standard value for Christmas.

Each Christmas it is the problem of the little gifts that makes your shopping hardest.

How many times have you in sheer desperation scattered "Jim-cracks" among your friends, and faced it out shamefacedly with the time worn phrase about taking "the will for the deed?"

If Christmas is the season of Charity, why not give as you would be given to, and use the same discrimination for quality in the lesser as well as in the more important gifts?

Like the Sterling Mark on Silver is the name:

APOLLO or HUYLER on candy,
VICTOR on Talking Machines and Records.
KENT on English brushes.
GILLETTE on Razors.
RUMP on leather goods.
ROGER and GALLEY on perfumes,
HUDNUT or COLGATE on toilet articles.

You would be glad to receive, and you need not hesitate to give such articles as are mentioned here. Each is the standard of its kind. You are giving the best, no matter how little you pay. And after all one can give no better than the best. If you examine our stock you will find the proof of our assertions.
